

# L'Auvergne

# Auvergne's Composition

The region *Auvergne* counts **four departments**:

- Allier
- Puy de dôme
- Cantal
- Haute-Loire

It is also **classified by *Lonely Planet* as the 6th region best to visit in the world.**

## Chain of volcanoes

# Where are we ? In *Issoire* !

► Our school is located in *Issoire*.

*Issoire* is a **small town** where life is good, in the center of the region, and just south of **the largest city of Auvergne**: *Clermont-Ferrand*.

# Our School : *Institution Sévigné Saint Louis*

- It is composed of **two establishments**, a primary school, and one institute which goes from **nursery&kindergarden to Senior High School**.
- Sévigné Saint-Louis counts:
  - **77 teachers.**
  - **1115 students.**
  - **+32 members of the personal staff** : the headmaster, supervisors, and a lot of others...

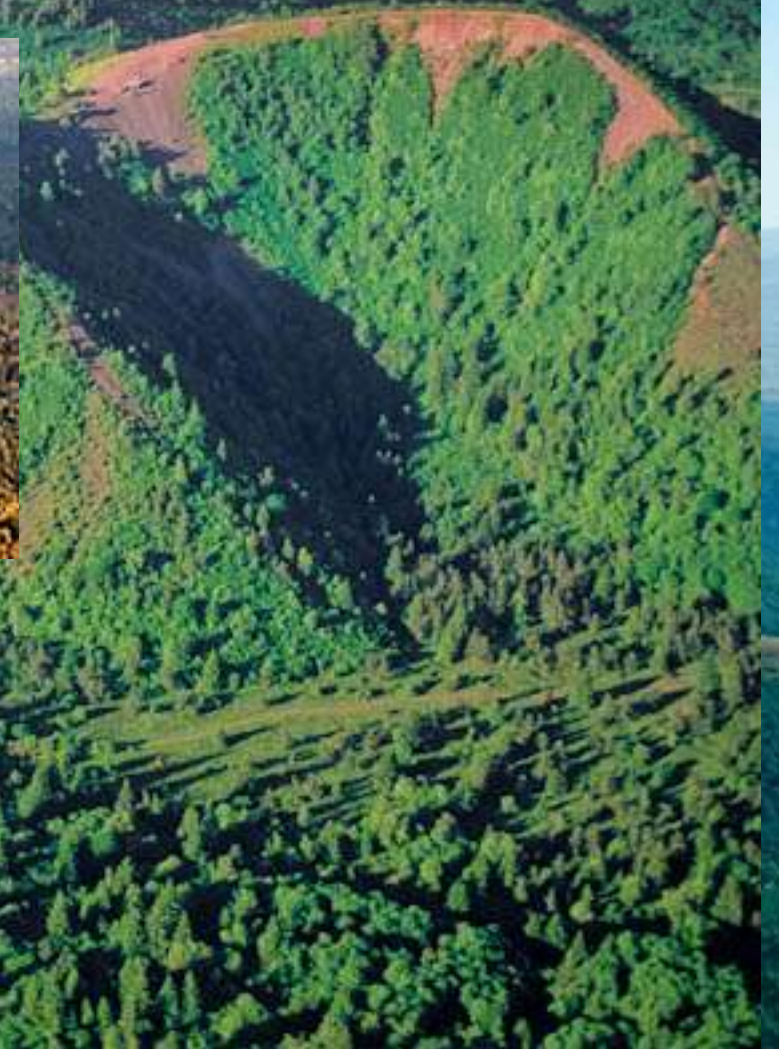

## Erasmus + Club

- Composed of **17 students** from the 3 classes of « Premières » (the **Scientific** one, the **Economic's** and the **Litterary's**)
- Here, we were **observing volcanic rocks** under **microscopes**.

**Quarry of volcanic rocks  
at « *Puy de la Vache* »**

The view from the top of « *Le Puy de la Vache* »

## At the top of « Le Puy des Gouttes »

« Le Puy de Dôme »

**On « *Le Puy des  
Gouttes* »**

Thank you  
for  
watching 😊
