	Odpowiedz
Respondent (4573858)	Every people can learn a lot of the other country and make very good experience
Respondent (4564095)	
Respondent (4545220)	This poject is very good
Respondent (4535062)	It's an amazing experience which could brings so much! For example, learning about new lifestyles, new traditional meals, see the world with another look than the one that you have when you travel with your parents. It can be beneficial in the case of improve our language skills, learn how to learn differently, bring to our school a bright side!
Respondent (4535487)	A benefical experience to discover others way of life and some knowledge about volcanoes
Respondent (4528867)	This is a great way to learn about other countries, other cultures. Besides, we can communicate with the other students from other countries.
Respondent (4524050)	Our knowledge about volcanos and earthquakes increased.
Respondent (4523419)	It is going to be my first time in europe. I am very happy for it. Via this project i can meet other stunden from european countries. This project is going to increase my knowledge about volcanoes and earthquakes. I am going to add this experince to my CV.

Respondent (4518774)	The project has increased our motivation on researching about jeologic, geographic informations. We had a bigger interest on the subjects of volcanos,the pozitive and the negative impacts of earthquakes.
Respondent (4518205)	this project made our students excited. we want to invite students from other countries to our homes. we want to meet people from our countries. and we learntna lot about earthquakes and volcanos.
Respondent (4506331)	We have learned more information about earthquakes and volcanoes.We had fun and educational trips.The project inspired us,it gave us excitement.
Respondent (4506037)	More students should be involved in the project

19. What problems do you notice in the project? Could you suggest how to solve it?

Odpowiedzi: 10  
(38%)  
Pominięć: 16 (62%)

	Odpowiedz
Respondent (4573858)	For me, right now, there is nothing
Respondent (4564095)	Nie ma
Respondent (4542884)	No problems
Respondent (4535062)	I don't see any problems in particular...
Respondent (4535487)	No problem for the moment
Respondent (4528867)	I don't see any problem, we didn't do much yet and what we did was great !
Respondent (4524050)	There weren't enough students who join the project.

Respondent (4523419)	I think 25 students is not enough for us. I would like to join the project with more students.
Respondent (4518774)	We would have preferred a bigger amount of student attendants and to increase that amount Erasmus should improve the capacity of the students that they take.
Respondent (4518205)	we think that it should include more students. and we are ready to host more students.
